Statement Explanation

Contractor members bidding highway and bridge projects must be a member of the Highway Division.

You may join one or multiple CIC divisions. There is a \$200 per year supplemental dues per additional division.

Check preferred membership division and pay dues accordingly.

Membership in CIC National Association ARTBA Chapter is not mandatory. However, if you choose to join the national chapter CIC will subsidize 50% of first-year national dues for current paid contractor members who also contribute to CIC Heavy Industry Advancement Funds. National Association full dues are \$650 per year for ARTBA.

Special Tax Note: Approximately 15 percent of CIC's dues income and 30 percent of national association dues income are spent to lobby local, state and national governments for beneficial laws and regulations pertaining to the construction industry. As a result of provisions of the 1993 Tax Act effective in 1994, the portion of association dues spent on lobbying are no longer a tax deductible expense for members.
